

# Download Co2 Cell Incubator Manual

Miniature Microscope Incubators > CO2/O2 Controllers. CO2 controller for hypoxia experiments - CO2-O2-MI  
Designed for live cell imaging and time-lapsed microscopy. NU-5800 In-VitroCell ES Direct Heat CO2  
Incubator provides the basic functionality to promote tissue cell growth. Click to request a demo or get a  
quote. Temperature Unit. Okolab Cage Incubator employs a Temperature Unit that generates warm air to raise  
the temperature inside the enclosure. Superior accuracy is guaranteed by the interplay of four sensors: three for  
temperature and one for flow rate. Esco remains dedicated in delivering innovative solutions for the clinical, life  
sciences, research, industrial, laboratory, pharmaceutical and IVF community.
